

L AND L FARMS

THIRD ANNUAL SALE OF POLLED SHORTHORNS AND SHORTHORNS

Wednesday, January 26, 1955

GUARANTEE

- 1 Proper care must be give by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs disease of the state or county into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

Special Guarantee—In addition to the above guarantee all cattle sold in this sale carry this additional guarantee which affects item three above. "All heifers sold as separate lots, regardless of whether or not they have reached 14 months of age are guaranteed to be breeders."

**WELCOME TO THE THIRD
ANNUAL L and L FARMS SALE
At the Farm Near Dothan, Alabama
WEDNESDAY, JANUARY 26, 1955**

On the cover are six heifers at L and L. Four of these sell in the 1955 sale. Above are three heifers from last year's sale. Right to left Bowhill Ruby 87 F x purchased by Foxdale Farm, Duluth, Georgia; L L Golden Nancy purchased by Acadia Farms, Northfield, Ohio, and L L Mistletoe Lady x purchased by E. C. Moody Farms, Dothan, Alabama.

At the 1954 L and L sale. Lowell Adams on the horse, Mrs. Paul Teegardin, Paul Teegardin, Carol Teegardin, all of Oakwood Stock Farm, Earl C. Moody, Dothan, Alabama, and Mr. and Mrs. J. L. Adams.

Welcome to L and L

The L and L herd was developed on the theory that there are three people looking for a good animal to everyone that wants to buy a "cow-freshener." This is true of both purebred and commercial breeders. To produce the type that measures to these standards, it is essential to constantly improve herd quality. It goes without saying that the right bull is the first step. Too often, however, mediocre producing cows are kept running with the herd when for a moderate additional investment they could be replaced with females of top quality and breeding. When one measures the value in a herd of a good producing female, her daughters, and granddaughters over a ten year period that original extra investment is even less significant. The vast majority of purebred and commercial cattlemen are looking hard for the top kind and will pay you when you offer them for sale.

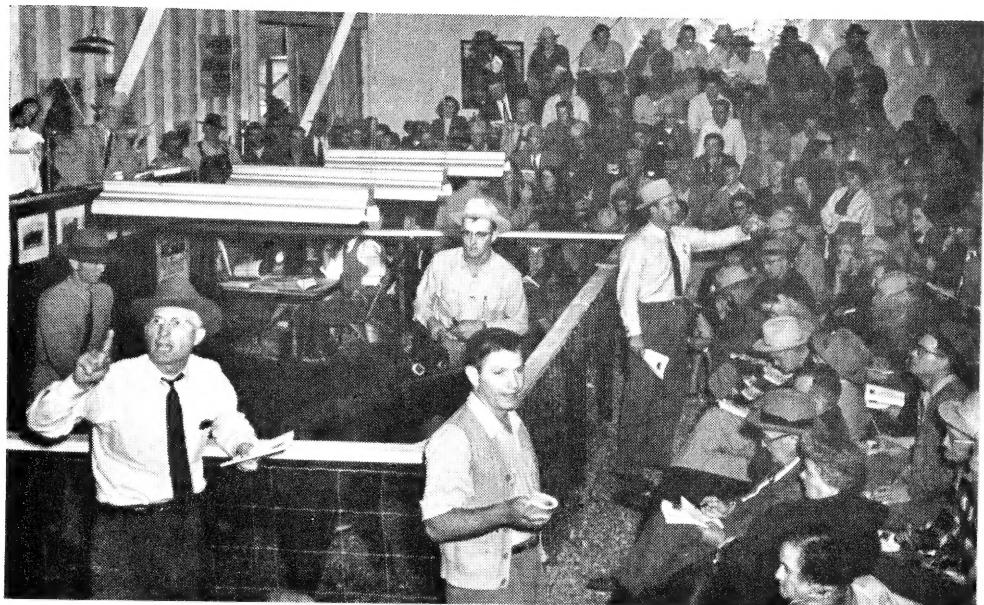

Because the cattle we are selling are the kind we would be proud to put back in the L and L herd, we feel they are worthy of the consideration of breeders who are out to step up their herd quality.

There is one basic reason why our sales have been successful. Each year we allow the sale manager, the auctioneer, the breed representatives, other field-men and extension men to aid us in the selection from the entire herd whose animals which they feel would make the strongest possible sale offering. We have not once refused to put in a single animal that they or we felt would add to the offering's strength.

Our most cordial invitation goes to all who are interested in improved livestock to be with us. Those who come to look and learn are just as welcome as those who come to buy.

Calves at E. C. Moody Farms out of cows purchased at L and L Farms. The first group purchased by Moody cost \$1950. He sold the calves fourteen months later for \$1650. By the time he had sold the first calves the cows had all calved again.

**We thank our customers for the many fine letters
we have received about their L and L purchases.
Here are two typical comments.**

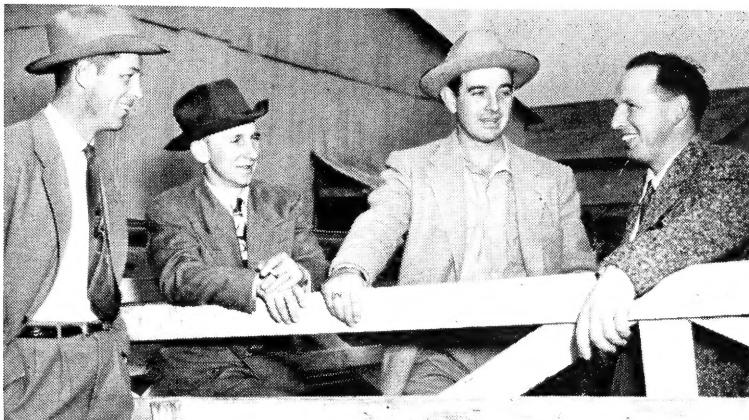

"The calves by L L Watchword Leader x that I bought in your 1953 sale are as fine as I have ever seen."—Frank Forester, Thomasville, Georgia.

* * * * *

"Juggler's Lottie that we purchased in the 1954 L and L sale bred to Oakwood Conquest dropped a dandy red bull calf to this service. He looks like he would really grow up to be something, has big legs and short, a deep body. Just about everything you would look for in a real good calf."—Mark Saunders, Lloyd, Florida.

**And here are the impressions
of one of Australia's leading cattlemen.**

"Most of the horned cattle in the L and L herd are imported stock or first descendants of imported stock, and they compare well with the best types that have come under my notice in the U.S.A. and the Argentine. The poll females are roomy and low set, with good heads and thick hindquarters as well as pleasing richness in their colors."—Lionel Krone, Agricultural editor of the *Pastoral Review* (Australia) reporting in their January 19, 1954 edition on his visit to L and L.

Cattlemen from all over North America attended the 1954 L and L sale. Here are four at the sale, left to right, Harold Thieman, Concordia, Missouri, newly elected president of the American Shorthorn Breeders' Association, Chuck Leemon, Hoopeston, Illinois; Charley South, Franklin, Ohio; and Reford Gardhouse, Milton, Ontario.

Some Interesting Facts About The L and L Sale

The 1953 and 1954 L and L Sales were the top sales of any beef breed held in Alabama in those years. The 1953 and 1954 L and L Sales were each the third top Polled Shorthorn sales of their respective years, being topped only by Oakwood and International sales.

* * *

Fifty-four percent of the buyers in the 1954 L and L sale had purchased from L and L before. There is a reason for such a high percentage of repeat customers.

* * *

In 1954 L and L Farms sold cattle by auction into Maryland, Georgia, Alabama, Florida, Tennessee, Ohio, Virginia, and Ontario.

* * *

Since April 1, 1954 L and L Farms has registered 101 head with the American Shorthorn Breeders' Association. The L and L herd is one of the breed's largest.

* * *

The L and L herd contains a strong infusion of close up imported blood. Besides having three imported bulls in service, all of the bulls and over 60% of the females being offered by L and L have imported animals in the first three generations.

Craig Griffin, Far Reach Ranch, Mt. Dora, Florida, proudly exhibits his FFA project L L Grenade's Clara, purchased from L and L Farms. She was the grand champion female of the 1954 Florida State Fair. Craig is shown receiving a plaque from Ed Rockefeller, vice-president of the Florida Shorthorn Breeders' Association. Lot 32 is out of the dam of L L Grenade's Clara.

The crowd gathers early at the L & L sale to go over the females in pens and grassy lots. Scene is from the 1953 sale.

GENERAL INFORMATION

Location . . . L and L Farms Dothan, Alabama. From the courthouse travel northwest approximately four miles on U S 231. A large sign will be located on the highway to show you where to turn off. The farm is one mile west of the highway. Dothan is in almost the exact center of the Southeast's expanding cattle area. It is 115 miles from Montgomery, Alabama; 185 miles from Atlanta, Georgia; and 265 miles from Ocala, Florida.

Time . . . The sale will be held Wednesday, January 26, 1955 starting at 12:30 p.m., C.S.T.

Guarantee . . . All cattle in this sale will be sold under the standard guarantee of the American Shorthorn Breeders' Association printed elsewhere in the catalog. Certificates of registry and transfer will be furnished with each lot. Applications for registry will be furnished with each unborn calf.

Transportation . . . Good truckers are available at Dothan, but we will be happy to care for your cattle until you make arrangements with truckers near your home, if you so desire. All cattle are the risk and property of the new owners as soon as bid off, but we will do everything to help you get them home.

Health . . . The L and L herd is federally accredited for Bangs and T.B. All the cattle in this sale will be tested for T.B. and Bangs within 30 days of the sale. All L and L animals will be vaccinated for Lepto Spirosis and checked by a veterinarian for Trichomoniasis and Vibriosis.

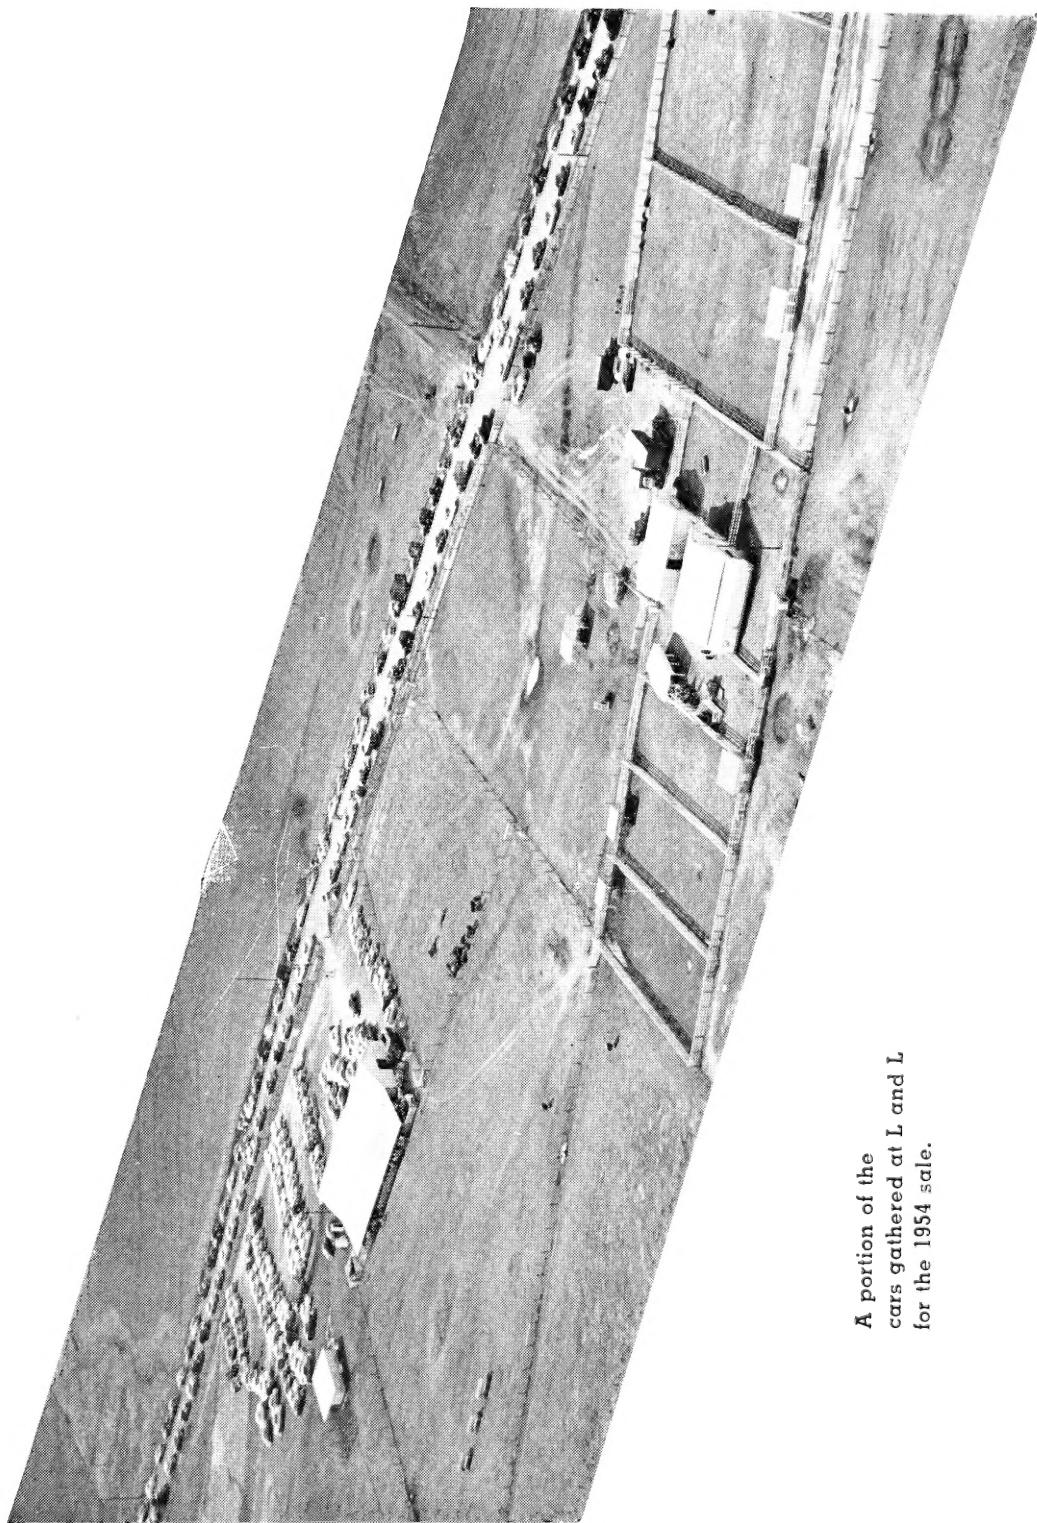

Breeding Dates . . . A list of breeding dates on all the females will be distributed on sale day.

Headquarters . . . Sale headquarters will be the Houston Hotel, Dothan. An excellent motel, The Hillcrest, is located on 231, near the farm and just outside the city limits. We will be happy to arrange accommodations at either place. Please notify us in advance.

Liability . . . The above guarantee and terms shall constitute a contract between the buyer and seller of each lot. L & L Farms or other sale contributors will not be responsible for accidents. Accidents at cattle sales are rare, but since the general public is invited, every person must assume the risk of accident to himself. The clerk, auctioneers and sale manager were hired by the consignors for specific tasks, promotional and clerical, and have no connection with the handling of the cattle or the condition of the premises.

Mail Bids . . . Those unable to attend the sale may send their bids to any of the auctioneers or representatives listed on page 3.

Terms . . . The terms of the sale are cash. Settlements are to be made with the clerk immediately following the sale.

A portion of the
cars gathered at L and L
for the 1954 sale.

This group of L and L heifers was sold in the 1953 sale.

I have had the pleasure of watching the L and L herd grow from an idea to what is now unquestionably one of the breed's largest and strongest herds. In the last nine months of 1954 they registered 101 calves. This will give you an idea of the wide selection that is available when, in the summer, we start to pick out the next year's sale offering.

Having observed the selection of many sale offerings I know that, regardless of a herd's size, there is a great difference between being able to pick what you want or having to take only what a man wishes to sell. Jim Adams has always allowed us to pick exactly what we wanted.

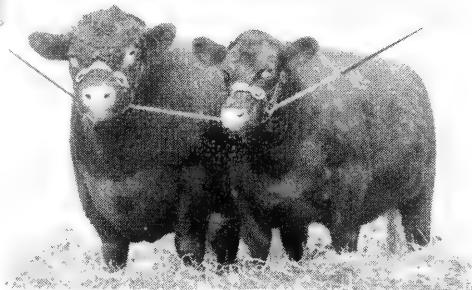

With due respect to the good quality offered in the previous L and L sales, this third offering is far the best. If you are looking for good ones you will not be disappointed no matter how far you travel.

The results of the first two sales attest to the high regard the breed's most critical buyers have had for the cattle, the wonderful job L and L has done in bringing the breed to the front in the Southeast, and the unlimited potential for our breed in this area. The 1953 and 1954 L and L sales were the tops for any breed in Alabama in those years. Here is an offering that can strengthen existing herds and serve as the foundation for strong new herds. Each L and L offering has been distributed to a wider area than the last. 1955 should be no exception.

Oakwood Conquest x—This is one of the bulls to which we have pinned our future. If the first calves are any indication we certainly have a breeding bull. He was the top selling Polled Shorthorn bull by auction in 1953 at \$7000. A son of Commander-in-Chief x, one of the greatest Polled sires of all time. His dam produced three other outstanding herd bulls. . . . Oakwood Bardolier x, top selling bull of the 1949 Oakwood sale that sold to South Africa; Oakwood Bequest x, grand champion at the 1950 Illinois, Ohio, West Virginia, and Maryland State Fairs, that died after leaving one calf crop; and Oakwood Request x, used at Oakwood and now heading the Fred Smalstig, Pittsburgh, Pennsylvania herd.

Naemoor Saracen—At the 1953 Perth sale we commissioned Reford Gardhouse to select two good bulls. We knew in our Polled herd that we could use only one more Shorthorn bull, and had in mind all along selling one of the two as a sale headliner. We are well pleased with both of the bulls, and you will generally find good judges split about 50-50 on which they like best. We have not seen calves from either one. This is the bull we are keeping. He is bred similarly to bulls that head three of the nation's greatest herds. Dungarhill Baronet, that heads the great Wheatland herd in Washington is also by Calrossie Baronet out of a Cruggleton Prince Bob dam. His first calves were brought out at Portland where they nearly swept the show. Scotsdale Drummer, heading the John Turner herd in Virginia is by Calrossie Baronet out of a Cruggleton Prince Bob dam. His first two calves brought \$3100 and \$1475 at the Hi-Ho-Willomor sale. The dam of the \$7500 Louada Consort that heads the W. C. Anderson herd in Iowa is a full sister in blood to Naemoor Saracen. There is every reason to believe, from his individuality and breeding Naemoor Saracen that he will be a great sire. A number of the sale females are bred to him.

Factor's Reward x—One of the most popular bulls ever produced in the South. He was the grand champion of the Southeastern Regional in 1949. His sire was one of the greatest breeding sons of the International grand champion, Oakwood Merry King x. There are few cows of the breed that are better individuals or better producers than his dam, Broadhooks Rose, one of the few Calrossie Reward daughters ever to leave Scotland. Factor's Reward has done well for us. He sires the good doing, easy fleshing kind with great bone and character. We believe the group by him in this year's sale will rate him as one of the top bulls currently in service anywhere.

Cromleybank Ringsider—One of two bulls that we had Reford Gardhouse purchase in Scotland. We bought two with the idea of selling one as a sale attraction. We have not had an opportunity to see calves by either one but in the field day held last summer people were pretty much equally divided as to which they liked best. This is a tremendously thick bull with size, substance and an excellent head. He is an easy fleshing bull and should pass this on to his calves. His sire, Cruggleton Prince Bob, was described by Clem Larson as a "close approach to perfection." Cruggleton Prince Bob was also the sire of Camson Prince Bob recently purchased by Creekland Farms for \$4,100 in the Femco Dispersion. The Eliza family from Cromleybank is one of the breed's greatest. We predict a great future for this bull and are happy to have many top females in the herd well along in calf to him.

L L White Beauty—A daughter of Factor's Reward who is fastly becoming recognized as to his true worth as a sire. The dam is one of our best Maxwalton Watchword cows. She produced a good bull that is now in the E. C. Moody herd and a full sister is now being fitted for our show herd. We showed L L White Beauty for two years and she was defeated in class only twice . . . at the International and at the Ohio State Fair where she stood second to the junior champion. She was junior and reserve grand champion female at the Pensacola Interstate Fair. Bred to Oakwood Conquest.

L L Drambuie's Kora—A daughter of Crichton Drambuie, one of the greatest sires of our day who made such a fine record in the Reford Gardhouse herd. Out of one of our good Klaimor Judge cows. This heifer is a three-quarter sister to L L Drambuie's Butterfly purchased in last year's sale by Reford Gardhouse, Milton, Ontario, for \$1,550. She stood third in class at the National Shorthorn Show in Columbus this year, placing next to L. E. Mathers. Before that she was never defeated in class in two years showing. She was the senior and grand champion female at the Pensacola Interstate Fair. Her dam also produced L L Coronet's Kora (Lot 29). L L Drambuie's Kora sells bred to Oakwood Conquest.

Augusta 115th—One of the best producing cows of the breed. We paid \$825 for her as a nine-year-old in the Cherry Hill Dispersal in 1950. In our 1953 sale she produced the top-selling heifer that went to O. J. Reynolds & Sons, Toney, Alabama, for \$1,525 and a bull that sold to Dr. D. W. Griffin for \$500. At that time we had four other animals from this cow. From December 1, 1949 to April 21, 1954, she produced five calves. She sells with a roan heifer calf at foot by Oakwood Reliance and is rebred to Cromleybank Ringsider. This cow has made more money for us than any cow we have ever owned.

Oakwood Stalwart Leader is a rich, dark-roan bull with the head of a sire, wide topped, level at his tail and full in his quarter. He could be fitted and shown in fast company. He is rugged, smooth, and has a hide like a kid glove. He is sired by a 100% dehorning grandson of Edellyn Royal Leader 2nd and is out of a granddaughter of Broadfields Air Command. Deep in polled blood, should be a dehorner and a top sire.

Best Ten Head of Polled Shorthorns, 1954 Inter'l, the third such award for Oakwood in the last five Internationals.

Eleven head, two bulls and nine females, will be sold by our guest consignors this year. We are pleased to have this strong draft in the L and L scale. Eight of these are being consigned by Oakwood Stock Farm, for many years holder of the top individual Polled Shorthorn sale. At the recent International Oakwood won eight firsts, more than any other single herd, including the best ten head, the reserve champion bull, first three and two bull groups, and first pair of calves.

Our confidence in Oakwood breeding is clearly shown by the large number of Oakwood animals in the L and L herd. The females in this group are bred to such famous Oakwood sires as the International grand champion, S and G Admiration x; Oakwood Landmark x; the International reserve champion, Oakwood Predictor x; and Oakwood Conqueror x.

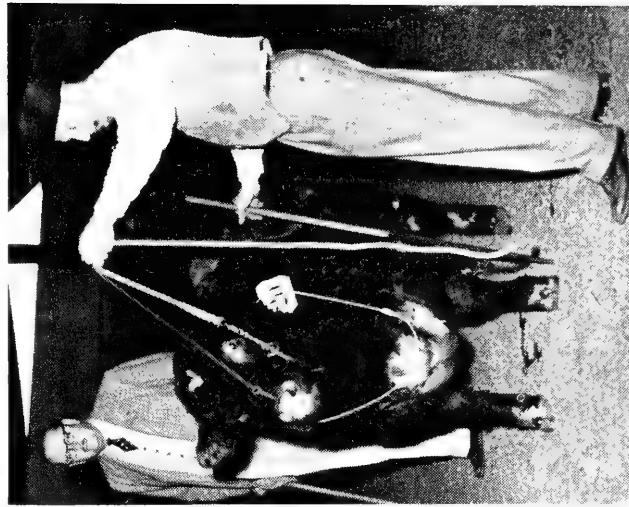

Our Guests

Consignments

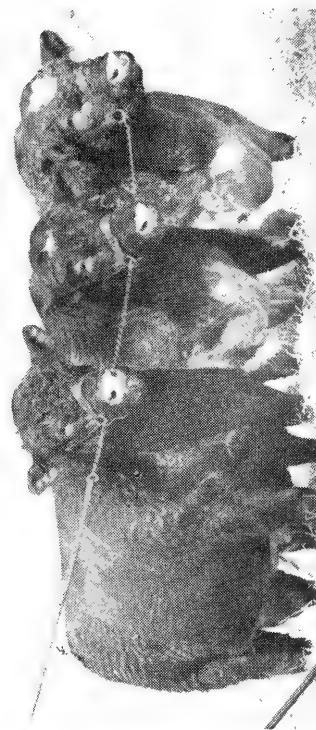

One heifer each will be sold by Winwood Farms, Brundidge; E. C. Moody Farms, Dothan; and Pullen's Farm, Damascus. These herds have all been L and L customers and we are happy to have the opportunity to show you the outstanding quality being raised by these friends and neighbors.

Oakwood Headliner x, the International first prize winner that heads Bob Godwin's Winwood Farms, Brundidge, Alabama.

Oakwood Consideration x, reserve grand champion 1954 Polled Shorthorn Congress. Heads the E. C. Moody herd, Dothan.

Oakwood's 1954 undefeated three bull group. They won first at the International, Ohio, West Virginia and Maryland state fairs. The two outside bulls were the winning two bull group at the same shows.

Oakwood Grand Chief is a dark, even roan son of Commander-in-Chief. Has a great head and front with the look of a sire. Not fitted but a grand prospect for a stock bull. Duke of Killearn sired many champions at top shows. Browndale Cupbearer was by the International champion Browndale Pilot. Brawith Bud was by the famed Calrossie Broadhooks Bounty and was one of the best females to come out of Scotland. We bought Broadfields Goldie because of her background and believe Oakwood Grand Chief will make a top sire.

Oakwood Graceful Miss 3rd is a daughter of Commander-in-Chief and a full sister to the many times champion of 1950, Oakwood Graceful Miss who closed her show career as the first prize two-year-old at the 1952 International. Another full sister, Oakwood Graceful Miss 2nd is the dam of one of the most promising bull calves at Oakwood today. Although this heifer isn't a show heifer, she can produce show cattle. This family has been that way since Gallant Lady 2nd topped the 1927 International Sale to come to Oakwood. Eleven International grand champion bulls are represented in her heritage and she is due to calve March 9 to the service of Oakwood Conqueror, sire of the 1952 International grand champion S & G Admiration.
